

Gambling and Gaming

Practice co-chair Behnam Dayanim enjoys an international reputation for expertise in internet gambling and gaming, and he was named a top technology lawyer in the **Legal 500** for 2007, 2008 and 2009. We advise some of the world's largest internet gambling companies and regularly counsel clients on the applicability of federal and state laws in this area. Our work includes advice with respect to payment processing and related due diligence concerns that arise in connection with gambling and gaming.

We also advise clients in other industries with respect to the laws governing contests, sweepstakes and other types of promotions, and provide counsel regularly on issues surrounding new and emerging types of virtual gaming.
